

LED G3 Canopy Light

VaOpto's LED Canopy Light Series, which replaces traditional canopy lights. These fixtures are energy-efficient, lead-free, UV-free, and a source of long-lasting cold lighting. In comparison to traditional canopy lights, VaOpto's LED Canopy Light Series reduces energy consumption 50 percent to 75 percent.

Product Features

- ▶ Daylight White: CRI > 75
- ▶ Material: Aluminum alloy housing
- ▶ Lens: Transparent PC cover
- ▶ Use ultra-bright LED's
- ▶ Input Voltage: 100-277V AC

Warranty

- ▶ Five-year limited warranty

Heat Dissipation

- ▶ Patented heat dissipation designed to optimum efficiency

Energy Star Performance

- ▶ Lamps designed to produce a minimum of 60% of initial lighth output at 50,000 hours

Working Condition

- ▶ Temperature: -40°C~50°C

Power

- ▶ Power Factor > 0.997
- ▶ Frequency: 50/60 Hz

Certifications

- ▶ cULus Rated
